

PARTLASTIC

Products:

- ✓ Rubber & Plastic molded parts
- ✓ Rubber & Plastic Sealing Systems
- ✓ Anti-vibration Parts
- ✓ Low Pressure Hoses
- ✓ Plastic Fuel Pipes
- ✓ Tooling & Machineries for Rubber Industry

BASPARTABAN

Products:

1. Automotive Parts:

- Three-layer Rubber Hoses for All Types of Car Radiator, low and Medium Pressure Oil Vapors Hoses for all Types of Cars
- Single-layer Rubber Air Hoses, Fuel Vapors, Oil Vapors.
- Medium Pressure Three-layer Rubber Hoses for All Types of Vehicles
- Offline Single-component Extruded Sealing Rubber

2. Non-Automotive Parts:

- Municipal Service Parts such as Rubber Speed Humps, Rubber Traffic Lane and Parking separators, Rubber Wheel Stopper, Rubber Corner Guard, Mat-outdoor Rubber Playground Safety, and etc...
- Railway Industries Parts such as Under Ballast Mat (UBM), Railway Anti-Vibration Mat, TBM Rubber Sealing, and wagon Bumper.
- Marine Industries Parts including Barge Bumpers, Marine Fenders, Piggyback Saddles
- Home Applicable Rubber Parts and yet shoe heels.

- ✓ Mass Production of High-pressure Car Air Conditioning Hoses from 2022
- ✓ Mass Production of High-pressure Hydraulic Steering Hoses from the 2nd quarter of 2022

POUYAGOSTAR

Biggest manufacturer of sealing system in Middle East.

Capable of designing and producing rubber profiles with different curing methods (LCM, UHF, and HOT AIR

PARSAYARAN

Products:

- ✓ Fuel system
- ✓ Mono layer pipe, Two-layer pipe, Three-Layer Pipe.
- ✓ Plastic Fittings and Quick Connector.
- ✓ Polymer Tank
- ✓ 6-Layer Polymer Tank
- ✓ Brake

HAMGARTOOS:

Activities:

- ✓ Designing and making machineries.
- ✓ Designing and executing industrial and robotic automation systems.
- ✓ Designing and making rubber injection molds, tools plastic and spare parts of machineries.

Products:

- ✓ Types of Rubber Molding
- ✓ Special Machines
- ✓ Making Robots
- ✓ Controllable Fixtures

MASHHAD GEARBOX

Products:

- ✓ Industrial gearboxes
- ✓ Sewage aeration system
- ✓ Winches for dam valves, 3 to 100 tons capacity.
- ✓ Gearboxes for sliding gate valves, for cargo elevators, for refinery industries and petrochemicals
- ✓ OEM and ODM and custom design
